

**Hong Kong Society for Immunology
2021 Scientific Meeting and Annual General Meeting**

Time: December 04, 2021 Saturday (12:00-17:00)

Venue: Pacific Room, 9/F, Royal Pacific Hotel, China Hong Kong City, Tsim Sha Tsui

11:30 – 12:00 **Registration**

12:00 – 13:00 **Lunch**

Scientific Meeting:

Opening remarks 13:00 – 13:05	Prof. Kathy O. LUI Chairman of HKSI
---	--

Invited Lectures I Chairpersons: Prof. Kathy LUI and Prof. Liwei LU	
Keynote speech 13:05 – 13:55	Prof. Tak Wah MAK University of Toronto; The University of Hong Kong Topic: New Frontiers of Immunotherapy
Distinguished Member Award Presentation 13:55 – 14:00	
Invited talk 1 14:00 – 14:30	Prof. Bin ZHOU Chinese Academy of Science Topic: Diverse origins of macrophages in lung injury and repair
Invited talk 2 14:30 – 15:00	Prof. Shohei HORI The University of Tokyo Topic: Molecular control of Treg cell function by the transcription factor Foxp3 and T cell receptor signals
Invited Lectures II Chairpersons: Prof. Zhiwei CHEN and Prof. Chun Kwok WONG	
Invited talk 3 15:00 – 15:30	Prof. Alfred Sze Lok CHENG The Chinese University of Hong Kong Topic: Translating epigenetic mechanism discoveries into cancer immunotherapies

Hong Kong Immunology Forum 2021
- HKSI Annual General Meeting and Scientific Meeting

Invited short talk 15:30 – 15:50	Dr. Kwan Ting CHOW City University of Hong Kong Topic: Mechanisms of immune modulation in the tumor microenvironment
--	--

Break & Poster Session 15:50 – 16:10
--

Young Investigator Presentations Chairpersons: Prof. Alfred CHENG and Prof. Helen LAW	
Young investigator 1 16:10 – 16:20	Dr. Philip Chiu Tsun TANG The Chinese University of Hong Kong Topic: Macrophage-lineage transcriptome networking reveals SMAD3 as a novel regulator for cancer-associated fibroblasts (CAF) formation in NSCLC
Young investigator 2 16:20 – 16:30	Dr. Fan XIAO The University of Hong Kong Topic: IL-17 Drives Salivary Gland Dysfunction via Inhibiting TRPC1-mediated Calcium Movement in Sjögren's Syndrome
Young investigator 3 16:30 – 16:40	Dr. Run Hong ZHOU The University of Hong Kong Topic: Nasal prevention of SARS-CoV-2 infection by intranasal influenza-based boost vaccination
Prize Presentation & Group Photos 16:40 – 16:50 End of Scientific Meeting	

Annual General Meeting:

16:50 – 17:00	Chairperson: Prof. Kathy O. LUI
